AMENITIES AND SERVICES

It is our intention to make your stay at the Murray Hospitality House a pleasant experience. Centrally located in the heart of Allegany County, students are just a short distance from our local hospital, urgent care facility, skilled nursing facilities, physician offices, clinics and our public health unit.

Facility

Murray Hospitality House offers a clean, relaxing home away from home; including four bedrooms, three bathrooms with showers, one kitchen, one study, full laundry amenities, and a comfortable living room with cable television and Wi-Fi. All rooms are fully furnished. Cleaning service is provided in common living areas one time per week.

Students are expected to:

- Maintain a clean living environment; including personal bedrooms and common living areas
- Items in the living areas should remain in the living area and not be taken to individual rooms
- Be responsible for personal laundry, including towels and bedding,
- Be responsible for the condition and cleaning of all appliances, including kitchen area

Murray Hospitality House

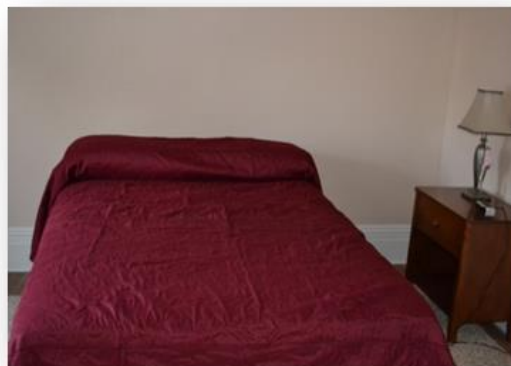

Enjoy preparing your meals in our fully furnished kitchen; including a full-size refrigerator/freezer, stove/oven, microwave, coffee maker and cooking utensils.

For your convenience, there is an on-site laundry room including a washer and dryer.

Bedrooms and bathrooms are furnished with towels, and bedding.

Murray Hospitality House

Access and Guests

Access to the Murray Hospitality House is restricted to those individuals who have formally been accepted to the facility and their guests. All exterior doors are to remain locked at all times.

Residents are expected to inform their guests of the Murray Hospitality House established house procedures. Residents will be held accountable for behaviors and/or damages caused by their guests.

Fire, Safety and Health Conditions

Fire alarms signal that all occupants of the building are to evacuate immediately and should dial 911. Any person who fails to comply with the evacuation proceedings will have disciplinary action imposed against them.

It is the responsibility of the resident to immediately notify WNY R-AHEC if one of the devices is not working, has been discharged or needs repair. Batteries are not to be removed from the smoke detectors. Carbon monoxide detectors should be plugged in at all times.

For injuries or health conditions that warrant immediate medical attention, please contact 911.

FIRE HAZARDS

Creating a fire hazard is prohibited. This applies, but is not limited to:

- Candles
- Cut Natural Trees
- Halogen Lights
- Incense
- Certain Appliances including, but not limited to those drawing more than 800 watts, those with an open coil (e.g. Toaster ovens, etc.)
- Decorative Hangings (paper or fabric) affixed less than 6 inches from the ceiling or floor – extension cords
- Smoking
- Unattended Cooking
- Use of Halogen Lights or Incense
